Dear Mayor and City Council-On June 30, 2026, the City Council will be approving two Bond issuances. (1) The borrowing of $20M General Obligation Bonds for Measure T1 – Infrastructure and Facilities (2) The borrowing of $85M for the Tax and Revenue Anticipation Notes. Per the City's Debt and Disclosure Policy, The Director of Finance constituted a Disclosure Working Group which consisted of The Director of Finance, Acting Deputy Director of Finance and Acting Accounting Manager. The Disclosure Working Group have reviewed and approved all the Preliminary Official Statements before they were posted and certifies that all information in those documents are factually correct to the best of our knowledge. Regards-Henry

Attached are the two Preliminary Official Statements and the City's Debt Management and Disclosure Policy.
