Boardroom: So, we have no ceremonial items this evening, so we'll move straight on to the City Manager comments.

40
00:05:38.520 --> 00:05:40.750
Boardroom: Thank you, Madam Mayor. I don't have any comments tonight.

41
00:05:40.940 --> 00:05:45.519
Boardroom: Thank you. Is there any public comment on non-agenda matters?

42
00:05:45.780 --> 00:05:48.579
Boardroom: Oh, did you submit a… Okay, good.

43
00:05:52.630 --> 00:05:53.540
Boardroom: Thank you.

44
00:05:53.720 --> 00:06:02.000
Boardroom: All right, thank you, Mayor. We do have a couple of cards here for individuals in the room, so we'll take those first.

45
00:06:06.430 --> 00:06:07.240
Boardroom: Okay.

46
00:06:07.790 --> 00:06:17.130
Boardroom: And our in-room speakers, in no particular order, are Rachel Berry and Rolf Bell, so please go ahead and come on up to the podium.

47
00:06:18.420 --> 00:06:21.560
Boardroom: And each speaker will have 1 minute to speak.

48
00:06:28.020 --> 00:06:37.759
Boardroom: Hi, good evening, council members. My name is Rachel Barry. I work with Root & Bloom Institute, a non-profit renovating a vacant building on 6 and Bancroft Way in Berkeley.

49
00:06:37.840 --> 00:06:57.150
Boardroom: We're excited to open later this year for a holistic mental health therapy and vocational training. I'm here tonight because after we began renovating this building, a new traffic light was installed on our corner, and with it came red curbing 150 feet in all directions, taking away nearly 50 parking spaces, including ADA parking from our corner.

00:06:57.330 --> 00:07:10.609
Boardroom: When we spoke to our neighbors, no one seemed to know this traffic light would include the inclusion of four left turn lanes, which is significant because those are what eliminated most of our parking spaces. While many of us appreciate the traffic light, bike lanes, and crosswalk.

51
00:07:10.610 --> 00:07:21.039
Boardroom: Most of the left turn lanes at this intersection are unnecessary at Bancroft Way, which to the east is a designated traffic suppression street, and to the west, dead ends after 4 blocks.

52
00:07:21.190 --> 00:07:40.230
Boardroom: In January of last year, several of us in the neighborhood began reaching out to city officials and staff to share the impact and request some dialogue. After 16 months of emails with mayor's office, city council members, and city staff, we have gained no traction on this issue, and we ask for your support in finding a real solution. Thank you.

53
00:07:40.610 --> 00:07:41.400
Boardroom: Thank you.

54
00:07:46.460 --> 00:07:53.780
Boardroom: We have online speakers as well. You are correct, yes, but we do have more than 5 speakers. So we have more than 5? We do. Thank you very much.

55
00:07:54.890 --> 00:07:55.770
Boardroom: Just checking.

56
00:07:57.830 --> 00:07:59.850
Boardroom: Do I need to press the button, or you press the button?

57
00:08:00.450 --> 00:08:06.140
Boardroom: Yeah, we can hear you. I'm Rolf Bell, a 26-year resident of Berkeley.

58
00:08:06.320 --> 00:08:07.709
Boardroom: And a business owner.

59
00:08:08.380 --> 00:08:13.390
Boardroom: In the last two months of 2024, at the corner of Bancroft Way and 6th Street.

60
00:08:13.930 --> 00:08:18.699
Boardroom: All four corners were torn up, and a total of 16 signal lights were installed.

61
00:08:18.910 --> 00:08:22.279
Boardroom: And the entire intersection reconfigured.

62
00:08:23.210 --> 00:08:29.120
Boardroom: There are 30 small businesses and 16 residences directly impacted.

63
00:08:29.480 --> 00:08:31.230
Boardroom: None received a notice.

64
00:08:32.610 --> 00:08:37.379
Boardroom: The traffic light makes pedestrian safe, pedestrian crossings safer.

65
00:08:37.890 --> 00:08:41.950
Boardroom: But 3 of the 4 left turn lanes make cycling more dangerous.

66
00:08:42.090 --> 00:08:46.819
Boardroom: And robbed 30 businesses and 16 residences of essential parking.

67
00:08:47.560 --> 00:08:50.820
Boardroom: We find it bizarre that our council member, Taplin.

68
00:08:51.060 --> 00:09:00.559
Boardroom: And our mayor can't seem to find the time to meet with us and find a resolution that is better for cyclists, better for residents, and better for business.

69
00:09:01.120 --> 00:09:10.469
Boardroom: Now we ask you to make time for us, along with the traffic engineer… Thank you. …to correct this over-design… I'm sorry, your time is up. …and a dangerous intersection. Thank you.

70
00:09:13.140 --> 00:09:16.170
Boardroom: Thank you. We'll now go to the online speakers.

72
00:09:20.450 --> 00:09:21.860
Kathryn Howell's iPhone (2): Okay, can you hear me?

73
00:09:23.200 --> 00:09:24.069
Boardroom: Yes, we can.

74
00:09:24.360 --> 00:09:30.909
Kathryn Howell's iPhone (2): Okay, great. Yeah, my name is Lily Howell. I am the parent of three, Berkeley,

75
00:09:31.550 --> 00:09:55.579
Kathryn Howell's iPhone (2): community members, and I have a daughter who is 18 years old who had the blissful experience of going through the Parks and Recreation's therapeutic Recreation program. She has autism and intellectual disability, and was enabled to access community programs, through the Parks and Recreations Department for enrichment and joy, just like any other kid, and like her siblings, through therapeutic recreation.

76
00:09:55.840 --> 00:10:10.690
Kathryn Howell's iPhone (2): I saw on the mayor's budget not a reduction, but an elimination of this vital program for students with disabilities. And in the birthplace of the disability rights movement, I'm pretty appalled at the City of Berkeley to eliminate

77
00:10:10.690 --> 00:10:19.589
Kathryn Howell's iPhone (2): accessibility, inclusion, and recreation for our children with disabilities in our community. Frankly, shame on you.

78
00:10:19.700 --> 00:10:29.010
Kathryn Howell's iPhone (2): It's very upsetting. I cannot fathom that in a place that cares about disability inclusion and DEI.

79
00:10:29.010 --> 00:10:31.650
Boardroom: Catherine, thank you for your public comment.

80

Boardroom: Whoops, I'm sorry. Our next speaker is Della.

82
00:10:42.380 --> 00:10:43.780
Boardroom: Do you ask for people to speak?

83
00:10:43.780 --> 00:11:00.939
Della Luna (she/her) Huichun: Thank you. I'm calling or telling you all about some thoughts I had. I was reflecting on how many fires there were recently in Berkeley, and I'm noticing that maybe it's with the new non-reporting clauses with the emergency, but we're not, as constituents.

84
00:11:00.940 --> 00:11:15.699
Della Luna (she/her) Huichun: getting a report back on, like, what the cause of the fires were, and it just makes me think that we all could be sitting on, you know, a hazard that we're not aware of. Maybe it was, like, an e-bike charging battery, or a lithium battery, or, countless…

85
00:11:16.040 --> 00:11:31.620
Della Luna (she/her) Huichun: potentialities I could think of that it could possibly be, but it would be nice to hear about what is causing the fires in Berkeley so that other constituents can be careful and more mindful and make sure we don't have the exact same hazard, in our units. That's it, thank you.

86
00:11:31.950 --> 00:11:32.899
Boardroom: Thank you, Della.

87
00:11:34.770 --> 00:11:40.999
Boardroom: Alright, thank you. The next, speaker is the caller ending in 211.

88
00:11:41.740 --> 00:11:43.490
Boardroom: Caller, you should be able to speak.

89
00:11:44.860 --> 00:11:49.070
1510****211: Hi, good evening. So, our manager, business manager.

90
00:11:49.790 --> 00:11:55.939
1510****211: Roy, handed you some paper documents. Please read them, and let's take some consideration.

92
00:12:01.390 --> 00:12:06.600
1510****211: Help us. Everyone needs help. I want you to walk down Telegraph from Bancroft

93
00:12:06.770 --> 00:12:10.590
1510****211: down to Ashby. About half of the… Retailuses are vacant.

94
00:12:11.300 --> 00:12:20.719
1510****211: It is a shame, shame on the city. Why are these places vacant when they can be thriving businesses to help students, to help business affairs, to help everybody?

95
00:12:20.980 --> 00:12:33.129
1510****211: This is a call, I need a call from Mayor Ishii as soon as possible. Need to get together, and let's make Berkeley great again. Right now, Berkeley is bankrupt.

96
00:12:33.500 --> 00:12:35.460
1510****211: Have a good night. I'll call you again.

Boardroom: Alright, our next speaker is Craig. Craig, you should be able to speak.

100
00:12:49.190 --> 00:13:03.919
Craig K. NAGASAWA: Yes, hi. My name's Craig Nagasawa. I own a building at 1201 6th Street, which is Harrison and 6th, and I'm sure you're all aware of what's going on down there. I've been there for 25 years.

Craig K. NAGASAWA: And the last 5 years have been completely living hell. I'm on the front lines of all of the unhoused stuff that is going on. Last week, or 10 days ago, there was a fire, blistered the… it was hot enough, it blistered the paint on the side of my building. The next day, the city came.

102
00:13:25.110 --> 00:13:32.260
Craig K. NAGASAWA: Made sure that the person who started the fire was okay, and cleaned up, and then allowed him to move back in.

103
00:13:32.990 --> 00:13:53.329
Craig K. NAGASAWA: There's no parameters whatsoever for people coming or going. Anybody who wants to can set up another tent, another house, another whatever they want. There's trash and garbage, there's disease, I mean, you know all of the adjectives. There's all of this stuff going on, dangerous safety issues. I have been…

104
00:13:53.330 --> 00:13:54.080
Boardroom: Thank you.

105
00:13:54.270 --> 00:13:57.090
Boardroom: Thank you, Craig. Your time is up, but thank you for your comment.

106
00:13:58.800 --> 00:14:11.619
Boardroom: All right, thank you, Mayor. That was our last speaker for non-agenda public comment, and, I'd just like to take a moment and acknowledge that Councilmember Bartlett has joined the meeting remotely.

107
00:14:11.890 --> 00:14:18.089
Boardroom: And Councilmember Bartlett, if you are available, we can go through the Just Cause script.

108
00:14:22.270 --> 00:14:26.800
Ben Bartlett: I'm here, I'm still working on getting set up, my computer's acting up, but I'm here.

109
00:14:27.070 --> 00:14:32.560
Boardroom: That's super. Alright, wonderful. We'll go through this script, which will allow you to participate in the remainder of the meeting.

111
00:14:35.680 --> 00:14:36.859
Ben Bartlett: It was interesting.

112
00:14:37.250 --> 00:14:54.519
Boardroom: in the meeting remotely, pursuant to the Brown Act under the Just Cause justification. A quorum of the Council is participating in person at a single physical location that is identified on the agenda, open to the public within the boundaries of the agency, and meets accessibility requirements. This satisfies the requirements of the Brown Act.

113
00:14:55.010 --> 00:14:58.920
Boardroom: Councilmember Bartlett has notified us of his need to participate remotely.

114
00:14:59.310 --> 00:15:14.000
Boardroom: Councilmember Bartlett, at this time, would you please provide a general description of the circumstances relating to your need to appear remotely at this meeting? And you are reminded that you need not disclose any medical diagnosis, disability, or other confidential medical information.

115
00:15:15.850 --> 00:15:17.990
Ben Bartlett: I'm recovering from a medical condition.

116
00:15:18.940 --> 00:15:20.340
Boardroom: Thank you, Councilmember.

117
00:15:20.480 --> 00:15:34.360
Boardroom: Please at this time disclose, before we take any action, whether there are any other individuals 18 years of age or older present in the room with you at your location, and if so, the general nature of your relationship with them.

118
00:15:35.170 --> 00:15:38.309
Ben Bartlett: No, however, my spouse may come in and out at will.

119
00:15:38.570 --> 00:15:40.010

Boardroom: Alright, Councilmember Bartlett, you are reminded to please participate through both audio and visual technology. Thank you.

121
00:15:47.020 --> 00:15:47.960
Ben Bartlett: Be there soon.

122
00:15:50.630 --> 00:15:57.260
Boardroom: Thank you. I just wanted to make sure there was a public comment that was made earlier, although I think that person has…

123
00:15:57.680 --> 00:16:12.059
Boardroom: gotten off, but there was a program that they had mentioned in particular, and, I just want to make sure that that person knows. I don't think they're listening anymore, but that we proposed to keep it with the sales and use tax passing, so,

124
00:16:12.230 --> 00:16:14.839
Boardroom: So, they should just know that.

125
00:16:15.400 --> 00:16:17.940
Boardroom: Okay.

126
00:16:18.900 --> 00:16:19.930
Boardroom: Oops.

127
00:16:20.450 --> 00:16:26.869
Boardroom: So many things. Alright, here we go. I think that that was it, then, for our public comment on non-agenda matters. Thank you all very much.

128
00:16:27.040 --> 00:16:30.299
Boardroom: And, we will now move on to the consent calendar.

129
00:16:31.360 --> 00:16:35.499
Boardroom: So, I would like to see if my Councilmember colleagues have any comments.

130
00:16:38.960 --> 00:16:40.679
Boardroom: Oh, Councilmember Trago.

132
00:16:54.680 --> 00:17:09.540
Igor Tregub: I would like to thank my colleagues on the agenda and Rules Committee for moving items 14, 15, and 16 to the consent calendar. Item 14, is

133
00:17:09.849 --> 00:17:25.589
Igor Tregub: A support position on SB 1301, by Senator Allen, reforming the insurance non-renewal process, which is, obviously something that is,

134
00:17:26.040 --> 00:17:31.370
Igor Tregub: A situation that is, that…

135
00:17:31.660 --> 00:17:38.189
Igor Tregub: Is increasing, not just among homeowners in,

136
00:17:38.480 --> 00:17:46.079
Igor Tregub: around… in and around Zone Zero, but also now, in the Berkeley Flats, including my district, so we have heard from

137
00:17:46.080 --> 00:18:00.280
Igor Tregub: a number of constituents, and this bill is an effort to reform the insurance non-renewal process. I would like to thank Council Members Blackaby, Humbert, and O'Keefe for their co-sponsorship.

138
00:18:00.280 --> 00:18:16.960
Igor Tregub: Item 15 is a support position on SB 1257 by Senator Arrigin, which would be a report around federal immigration, enforcement, another way to keep

139
00:18:16.960 --> 00:18:22.150
Igor Tregub: the federal government accountable, and I would like to thank

145
00:19:26.200 --> 00:19:34.700
Igor Tregub: Adding me as a co-sponsor to item 17, setting measurable goals and metrics for key city priorities. Thank you very much.

146
00:19:36.090 --> 00:19:41.400
Boardroom: Thank you very much. And then, something else I want to make a comment on before we,

00:19:41.880 --> 00:19:44.770
Boardroom: Before we move forward with comments from my colleagues.

148
00:19:44.800 --> 00:20:00.449
Boardroom: is that I'd like to move item 11 from the Peace and Justice Commission on the flock safety… on flock safety to May 7th, when we hear this item, the surveillance and flock contract item, and also move item 12 from the Peace and Justice Commission on the proposed use of controlled weapons

149
00:20:00.450 --> 00:20:06.809
Boardroom: and other policing tools to the meeting when these items will return, from the Public Safety Committee.

150
00:20:07.220 --> 00:20:16.490
Boardroom: And Mayor, may I recommend that item 12 be referred to the Agenda and Rules Committee for scheduling at that time? Thank you, yes, that would be good, Rose.

153
00:20:23.850 --> 00:20:26.680
Boardroom: Thank you very much. Okay, Councilmember Blackaby.

154
00:20:27.800 --> 00:20:37.500
Boardroom: Thanks, Madam Mayor. Just a few comments on the consent calendar, in order. First, I just wanted to thank, Councilmember Bartlett on item 2 for his nomination to the Police Accountability Board.

155
00:20:37.530 --> 00:20:49.609
Boardroom: As we're working to kind of re… Reset and restock the board, with a full complement of board members. My nominee's coming at our next meeting, and I know a number of us have others coming, and so, again, just following up on…

156
00:20:49.720 --> 00:21:00.819
Boardroom: on that, and making sure that folks know we are trying to get the board fully staffed and back, fully functional as quickly as possible. So just want to thank Councilmember Bartlett for his nomination, and look forward to mine next week.

157
00:21:00.870 --> 00:21:16.749
Boardroom: Item 4, I wanted to really appreciate our Health, Housing, and Community Services team, for their work with the East Bay Asian Local Development Corporation, to help secure $9 million in state funds to support, the affordable housing project of the North Berkeley BART station, which I know is

158
00:21:16.760 --> 00:21:24.590
Boardroom: near and dear to many of our hearts, in particular Councilmember Kastarwani, so thanks to, city staff, for, again, securing that important financing.

Boardroom: Item 14, thanks to Councilmember, Tragib for adding me as a co-sponsor. This is Senator Ben Allen's bill to reform the insurance non-renewal process.

160
00:21:36.340 --> 00:21:50.509
Boardroom: As Councilmember Trega mentioned, this is a bigger and bigger issue for many families here in Berkeley. We're seeing it in my district all the time. The number of people who are losing insurance and then do not know why they've lost insurance.

161
00:21:50.510 --> 00:22:00.769
Boardroom: do not know how to sort of remedy the situation. They're given sort of very vague, communications, and have no sort of recourse. And so I just want to appreciate…

162
00:22:00.820 --> 00:22:16.980
Boardroom: The bill and also, Councilmember Trey Gibb's work on this. We also have a, a full kind of docket of other wildfire safety legislation that's being considered by the legislature. We're bringing a resolution on that at our next meeting, that I hope my,

163
00:22:17.040 --> 00:22:30.990
Boardroom: my, colleagues will support. There's a lot of good stuff happening in the legislature, and it's important for us to lend our voice, to those things that are addressing real problems that we're facing here in Berkeley. And then on item 17,

164
00:22:31.150 --> 00:22:38.820
Boardroom: you know, we've seen, we've kind of been seeing different pieces of this. The city auditor came out with a report and some, suggestions.

165
00:22:38.970 --> 00:22:56.319
Boardroom: This is the setting, measurable goals and metrics for key city priorities. The city manager and his team have been very helpful and supportive. The Health, Life, Enrichment, Equity, and Community Policy Committee have reviewed it. I'm excited that, again, with, adoption on the consent calendar tonight.

166
00:22:56.320 --> 00:23:05.409
Boardroom: we'll be able to move this forward to help bring even greater transparency and accountability around key performance goals. I think that

00:23:05.430 --> 00:23:17.109
Boardroom: Again, it's no news to anyone that we're facing some real budget challenges here in Berkeley, so I think it's even more important to be able to communicate to the public what we are delivering.

168
00:23:17.150 --> 00:23:36.080
Boardroom: with a reduced level financial resource, what they can expect from us in terms of what the city is delivering. And I think this is one measure that, again, is about setting those goals and holding ourselves accountable for meeting those marks. So I just want to appreciate, the support on that. And that's it. Thank you.

169
00:23:36.290 --> 00:23:38.000
Boardroom: Thank you. Councilmember Humbert.

170
00:23:40.040 --> 00:23:46.930
Boardroom: Thank you, Madam Mayor. My first comment, is on item 13.

171
00:23:47.250 --> 00:23:59.109
Boardroom: Which is, an item from the Peace and Justice Commission to reaffirm City of Berkeley commitment to international peace, opposing war on Iran, and standing in solidarity with the people of Iran.

172
00:23:59.350 --> 00:24:08.240
Boardroom: And I want to say that Council's already adopted an item on this topic that I believe is substantially similar, very similar to this one.

173
00:24:08.540 --> 00:24:17.929
Boardroom: I don't think it's sensible for us to adopt a second item, especially without knowing whether and how it may conflict with the earlier item. I don't know if it does or not.

174
00:24:18.270 --> 00:24:21.439
Boardroom: And I don't believe it is worth the time of council or staff

175
00:24:21.660 --> 00:24:27.109
Boardroom: Especially in the context of a major budget crisis to try to reconcile largely duplicative

176
00:24:27.320 --> 00:24:32.310
Boardroom: items. I'd suggest if the Commission feels strongly

178
00:24:42.920 --> 00:24:48.370
Boardroom: Those areas of difference, and explains why they necessitate further counsel.

179

Boardroom: Action.

180
00:24:51.440 --> 00:25:05.600
Boardroom: Number 15, the Federal Immigration Enforcement Report. I was going to ask to be added, but now I think it's full, but thank you very much, for the council members who are the author, Councilmember Tragube, and, the co-sponsors.

181
00:25:08.420 --> 00:25:24.420
Boardroom: Item 17 is a wonderful item. Thank you, Councilmember Blackaby. That's setting measurable goals and metrics for key city priorities, and I'm privileged to be added as a co-sponsor on that. And then there was one more.

182
00:25:25.170 --> 00:25:30.140
Boardroom: That I wanted to address, and…

183
00:25:31.600 --> 00:25:35.089
Boardroom: Yeah, maybe that was it. Oh, it was the insurance…

184
00:25:35.210 --> 00:25:40.810
Boardroom: the insurance, non-renewal process, and thanks… I want to thank Councilmember

185
00:25:41.580 --> 00:25:51.400
Boardroom: Tragoob for authoring that, and for adding me as a co-sponsor. It's a really critically important issue.

Boardroom: George Lipman, I'm representing the Peace and Justice Commission.

200

Boardroom: contracts with Flock for stationary cameras or for drones, such as first responder by drone.

206

Boardroom: due to…

207

210
00:28:43.690 --> 00:28:48.419
Boardroom: what we've learned over time. It can't… first of all, it can't be said too many times.

215
00:29:18.080 --> 00:29:27.639

Boardroom: Thirdly, Flock has engaged in politically corrupt

220

Boardroom: business practices. It is reported that The company has hired

224
00:30:29.330 --> 00:30:37.050

00:32:26.410 --> 00:32:30.469
Boardroom: I'm really concerned on number 4 about the…

238
00:32:31.360 --> 00:32:42.579
Boardroom: low income and actual, quote, affordability of so many of these projects, the ratio is, like, a few to 100 in most of these…

239
00:32:43.030 --> 00:32:47.240
Boardroom: enterprises that I've been listening to, so I'm concerned about that.

241

Boardroom: And then in terms of number 10, stairs.

242
00:32:54.330 --> 00:32:58.370
Boardroom: I've had personal interaction with them, such that…

243
00:33:00.370 --> 00:33:01.949
Boardroom: I have nothing good to say.

244
00:33:02.200 --> 00:33:12.630
Boardroom: Given that they broadcast themselves as being ADA compliant, and definitely were not, and yet had been paid… I'm trying not to yell, I'm sorry.

245
00:33:13.080 --> 00:33:27.330
Boardroom: had been paid a bazillion dollars to do it with 90… over 90 code violations. So they've also, again, been given more money to create this amended situation with structures that were left out in the rain.

246
00:33:28.060 --> 00:33:37.250
Boardroom: All winter long. Anyway, and now they're asking for more money. I just want to alert you, I have intimate first-hand and second-hand knowledge…

247
00:33:38.050 --> 00:33:44.200
Boardroom: I am not pleased, especially when I know of programs that actually do what they say.

248
00:33:44.480 --> 00:33:50.940
Boardroom: And come through and serve the community, such that we aren't wasting money, getting pillaged and plundered.

249
00:33:51.110 --> 00:33:56.140
Boardroom: And back to, then, the, I'm gonna jump to number 17, because it…

Boardroom: this measuring things so that there can actually be transparent accountability is brilliant. But again, the numbers in the wrong hands can be misused, as we're seeing all over this country. Alright, and then in terms of the Peace and Justice Commission.

251
00:34:13.280 --> 00:34:23.979
Boardroom: I go there, much to their chagrin and mine, over and over and over again, because peace is not just a noun, it's a verb.

252
00:34:24.280 --> 00:34:27.130
Boardroom: It's a verb, and justice?

253
00:34:28.050 --> 00:34:30.460
Boardroom: It's not about fighting who's right.

254
00:34:31.750 --> 00:34:36.820
Boardroom: It's about, could there be some measure of equanimity, equality?

255
00:34:37.739 --> 00:34:40.949
Boardroom: Care and concern for everyone in humanity?

256
00:34:41.560 --> 00:34:50.790
Boardroom: It's like, oh my god, so the flock thing, safety, not really weapons? No, thank you. And what about committing to…

257
00:34:50.949 --> 00:34:56.230
Boardroom: like the old hippie that I am, make love, not war. Again, it's a darn good idea.

258
00:34:56.620 --> 00:35:05.170
Boardroom: I'm really trying to encourage you to remember that we could be living in peace and harmony, where everyone could be okay.

259
00:35:05.560 --> 00:35:07.300
Boardroom: So, alright.

260
00:35:07.500 --> 00:35:16.730
Boardroom: I just thank you. I'm so glad you're still willing to show up, and I'm willing, I am, too. So, take care of you. Thank you. Thanks, Maria.

263
00:35:30.020 --> 00:35:31.959
Boardroom: Speaker, you should be able to speak.

264
00:35:35.600 --> 00:35:38.520
1510****211: Okay, so now I'd like to speak on Consent Item 2.

265
00:35:38.740 --> 00:35:47.629
1510****211: And a consent item 13. Two, memory of our great Berkeley Police Chief, Josh Butler, who made Berkeley very safe, great man.

266
00:35:47.920 --> 00:35:56.309
1510****211: Also, my family, one who had over a million dollar embezzlement in our San Francisco store, 22 vehicle policemen, I paid them $6,000 a month.

267
00:35:56.620 --> 00:35:59.190
1510****211: I had to serve my family, my son, and everybody.

268
00:35:59.650 --> 00:36:05.580
1510****211: as far as the 13, Donald Trump actually was going to international bomb on Iran.

269
00:36:06.080 --> 00:36:10.100
1510****211: But the man who held the nuclear football refused, walked out of the room.

270
00:36:10.540 --> 00:36:18.020

00:39:25.710 --> 00:39:31.470

295
00:39:31.970 --> 00:39:44.659
Ben Bartlett: Oh, yeah, just briefly, now that I'm all set up properly, I wanted to, thank everyone for all of your things. In particular, my addition to the, PAB, Benjamin Nash is an excellent young man.

296
00:39:44.660 --> 00:40:04.080
Ben Bartlett: He's gonna serve the body really well, hope you approve him. He's going to, you know, really deliver a whole new vantage point, and he's really a conscious young man. He's been active in the community, and I happened to teach his class, as a coincidence at the grad school at Baquel, and it was quite a wonderful day. And, really impressed with him. I think you will be too. Thank you.

297
00:40:07.920 --> 00:40:09.050

298
00:40:09.660 --> 00:40:12.430
Boardroom: Thank you, Councilmember. Yeah, Councilmember Humbert.

299
00:40:15.450 --> 00:40:28.690
Boardroom: Public comment is over, is that right? Okay, thank you, Madam Mayor. Yeah, I wanted to, in connection with, the motion on accepting the consent calendar, because item 13, following up on my prior comments.

300
00:40:28.710 --> 00:40:35.590
Boardroom: Because item 13, as salutary as it may be, is duplicative of what we've already done, I'd like to…

301
00:40:35.690 --> 00:40:41.020

304
00:41:07.780 --> 00:41:17.449
Boardroom: That is accepted, by the body as the motion related to that item, then… That can proceed.

305
00:41:18.330 --> 00:41:24.049
Boardroom: As long as there's no objection, is that right? Correct. Okay, so just wanted to make sure that there's no objection to that.

306
00:41:24.220 --> 00:41:24.910
Boardroom: Okay.

307
00:41:25.900 --> 00:41:28.720
Boardroom: Very good. Thank you. Alright, is there a motion, then?

308
00:41:30.600 --> 00:41:34.519
Boardroom: I move adoption of the consent calendar as amended. Second.

309
00:41:34.890 --> 00:41:36.920
Boardroom: Okay, can we take the roll on that, please?

Boardroom: Certainly.

311
00:41:40.450 --> 00:41:46.840

322
00:42:19.280 --> 00:42:29.009
Boardroom: Government Code Section 3502.3 regarding vacancies, recruitment, and retention efforts. And we have a presentation, so I will pass it over to staff.

323
00:42:42.480 --> 00:43:00.929
Boardroom: Good evening, Honorable Mayor and members of the City Council. I'm Monica Walker, and tonight, on behalf of the Human Resources Department, I will be presenting on the vacancies, recruitment, and retention efforts under AB 2561 and Government Code 3502.3.

324

326
00:43:18.420 --> 00:43:23.309
Boardroom: At a public hearing once a year prior to the budget being adopted.

327
00:43:23.530 --> 00:43:25.289
Boardroom: Before the governing body.

328
00:43:27.720 --> 00:43:39.449
Boardroom: Just to note, the measurement period for the data that we will be presenting tonight is from calendar year 2025, so it spans January 1st through December 31st of that year.

329
00:43:42.480 --> 00:43:55.790
Boardroom: The vacancy rate citywide during that time frame, averaged about 15% at the end of each month, with the highest vacancy rate being 16.1% and 14.7%.

330
00:43:57.410 --> 00:44:06.200
Boardroom: And although the staff report, refers to, the frozen positions that were held vacant, those were added in, as part of the number.

331
00:44:09.520 --> 00:44:12.029
Boardroom: When we look across the bargaining units.

332
00:44:12.160 --> 00:44:16.560
Boardroom: Most of the bargaining units were under 20%.

333
00:44:16.700 --> 00:44:28.200
Boardroom: Two of them were over 20%, Berkeley Chief Fire Officers Association, BFCOA, and the International Brotherhood of Electrical Workers, IBEW.

334
00:44:28.600 --> 00:44:46.740
Boardroom: Bfcoa's percentage resulted from two battalion chiefs who retired in December, 2025, and because a snapshot was taken as of December 31st, 2025, it captures those vacancies before they could be filled, and they were filled a few weeks later in January.

Boardroom: of 2026.

336
00:44:49.100 --> 00:45:05.609
Boardroom: For IBEW, the vacancies were 2 electricians, which, are… have since been filled or are now in pre-employment, 2 lead electricians, and 1 lead communications technician, which resulted from an internal promotion from within that bargaining unit.

337
00:45:09.030 --> 00:45:15.320
Boardroom: And just to take a moment out to talk about, percentages as it relates to smaller bargaining units.

338
00:45:15.450 --> 00:45:27.849
Boardroom: The number of vacancies in a smaller bargaining unit represents a larger portion, each position does. So although we had 5 vacancies, in IBAW, it represented

339
00:45:27.850 --> 00:45:36.480
Boardroom: An over of 20%, percentage. But with those two positions that have since been filled, it, reduced it to under 20%.

340
00:45:36.570 --> 00:45:43.630
Boardroom: And the same with the battalion chiefs. It was 2 positions, but the total number was 7, which resulted in a higher vacancy.

341
00:45:47.460 --> 00:45:57.330
Boardroom: These are the general steps for a civil service recruitment, starting from when a position is vacant all the way to when, an employee is onboarded.

342
00:45:57.460 --> 00:46:05.280
Boardroom: These steps are, part of a civil service framework to ensure that there's transparency, and fairness

343
00:46:05.400 --> 00:46:09.230
Boardroom: And an equal opportunity for everyone to apply for a position.

344
00:46:09.380 --> 00:46:16.380
Boardroom: And though we operate within this framework, we try to look continuously at ways to make things more efficient.

Boardroom: We have brought a lot of things in-house, such as our fingerprinting, and we try to move things along while still embracing, a civil service framework.

347
00:46:30.130 --> 00:46:49.830
Boardroom: One of the things that we're also doing, is reaching out to get qualified candidates, and we're not waiting for candidates to just hear about a job opportunity or to be looking for a job. We reach out to find them. This is our dedicated career website, where they can find out about how wonderful it is to work for Berkeley.

348
00:46:49.910 --> 00:47:06.180
Boardroom: These are, examples of our, continually increasing social media presence, where we talk about, and feature our existing employees and, why they like to work at the City of Berkeley. We also have information on how to apply for jobs.

349
00:47:06.240 --> 00:47:10.409
Boardroom: And we really try to, outreach to candidates in that way.

350
00:47:12.360 --> 00:47:30.060
Boardroom: We also do, for the harder-to-fill positions, professional industry websites. For example, for the electrician positions, we went to professional websites such as this to try to find those who are already in the profession, and see if they're interested in working for the City of Berkeley.

351
00:47:31.670 --> 00:47:41.410
Boardroom: We also, go as far as doing executive recruitment strategies, where we have, a dedicated analyst who acts in the capacity of an executive recruiter, and

352
00:47:41.550 --> 00:47:47.759
Boardroom: Looks for candidates who might not even be looking for jobs, because sometimes they're, the best candidates.

354
00:48:00.670 --> 00:48:11.140
Boardroom: And, this is an overwhelming number for the positions that we are trying to fill, and it resulted in the relatively low vacancy rate that was reported earlier.

355
00:48:13.970 --> 00:48:24.210
Boardroom: Of the 229 vacancies created in 2025, you can see that over 40% of them resulted from internal promotions, internal transfers.

356
00:48:24.340 --> 00:48:35.599
Boardroom: or budgeted positions. And the rest were due to natural attrition, retirement, voluntary terminations, and a few involuntary terminations.

357
00:48:35.910 --> 00:48:44.809
Boardroom: We also filled 248 vacancies in 2025 through new external or internal recruitments, internal-only recruitments.

358
00:48:44.960 --> 00:48:46.990
Boardroom: And existing eligible list.

359
00:48:50.980 --> 00:49:06.400
Boardroom: We also have very rich benefits at the City, for retention. In addition to strong compensation, we offer a defined benefit retirement plan through CalPERS, medical, dental, vision insurance,

360
00:49:06.500 --> 00:49:18.569
Boardroom: Claremont EAP support services throughout the employee's life cycle, and organizations such as Team Unity, who plan events to try and unify the city,

361
00:49:20.620 --> 00:49:23.820
Boardroom: We also offer training and development opportunities.

362
00:49:23.930 --> 00:49:37.359
Boardroom: We have a supervisor learning plan, we will soon have a manager learning plan, we offer a skilled worker academy, and we offer a lot of courses through NeoGovLearn to enhance and grow our employees from within.

Boardroom: And this has resulted in a 93% retention rate.

364
00:49:44.570 --> 00:49:54.720
Boardroom: We had 3% through natural attrition, 4% through turnover, and overall, a very, very strong retention rate throughout the city.

365
00:49:57.720 --> 00:50:16.480
Boardroom: I would also like to take a moment to highlight the efforts of our small but mighty HR team. Without the members of our HR team, I would not be able to report the numbers that I am reporting today. Our team supports our employees through every phase of their employee life cycle.

366
00:50:16.750 --> 00:50:23.570
Boardroom: And like to give special recognition to our director, Janelle Rodriguez, for her leadership and guidance.

367
00:50:23.700 --> 00:50:35.689
Boardroom: And Anna Guler, our HR analyst, for compiling and tracking a lot of the data that you saw on this slide, as well as spearheading our outreach and digital, outreach for our candidates.

368
00:50:36.070 --> 00:50:44.540
Boardroom: Thank you very much. Thank you, Monica. Thank you for the presentation. Okay, so I'd like to start with any Council questions.

369
00:50:45.100 --> 00:50:47.190
Boardroom: Questions from my council colleagues?

370
00:50:49.380 --> 00:51:02.509
Boardroom: Okay, Councilmember Blackaby? Just had one quick one. Thanks for the presentation. When you talk about the 15% kind of average vacancy, how does that stack up against other municipal governments locally? Just, how does this benchmark?

371
00:51:02.740 --> 00:51:09.389
Boardroom: So, other agencies, that we've seen, average from between 14 and 20%.

372
00:51:09.530 --> 00:51:11.350
Boardroom: So we're about…

373
00:51:11.540 --> 00:51:21.000
Boardroom: average, and it really depends on the composition of their workforce, too, right? Our vacancies might be different than their vacancies in terms of the classifications and the bargain units.

374
00:51:21.490 --> 00:51:31.229
Boardroom: That's great. And then similarly on the, on numbers around, sorry, the turnover and attrition and retention, I think you said 3%,

375
00:51:31.780 --> 00:51:35.820
Boardroom: Sorry, 93% retention.

376
00:51:36.090 --> 00:51:46.579
Boardroom: And how does that kind of look, if you were to benchmark that? I can look more into that. I don't have that number offhand, but I can look more and get back and follow up with you. Okay, thank you very much. Thank you.

377
00:51:46.820 --> 00:51:48.910
Boardroom: Thank you. Other questions?

378
00:51:49.760 --> 00:51:51.289
Boardroom: You stole my questions.

379
00:51:51.910 --> 00:51:57.850
Boardroom: Good questions. Okay, very good. Can we please have any public comment on item number 18?

380
00:51:58.500 --> 00:52:01.029
Boardroom: Which is the public hearing and compliance

381
00:52:01.550 --> 00:52:10.099
Boardroom: With Assembly Bill 2561, Government Code Section 3502.3, regarding vacancies, recruitment, and retention efforts, Public comment?

382
00:52:11.830 --> 00:52:19.059
Boardroom: And for the unions, just so you know, I've given you 5 minutes, you know, so you have a little more time than public comment.

Boardroom: So…

384
00:52:20.340 --> 00:52:30.280
Boardroom: Thank you. I don't know if… oh, you're just here to take a video? Okay. Alright, very good. Okay, go ahead. Hello, Mayor and Council, I appreciate this opportunity to speak.

385
00:52:30.280 --> 00:52:44.979
Boardroom: My name's Thomas Gregory, I'm the president of SEIU 1021CSU PTRLA, and I'm commenting on behalf of my chapter. As you know, the City Management is planning to eliminate many vacant positions when the new fiscal year starts in a couple of months.

386
00:52:45.630 --> 00:52:51.350
Boardroom: As of December 31st, 2025, there were…

387
00:52:51.390 --> 00:52:59.600
Boardroom: 270 vacant positions citywide, and 77 of those 270 vacancies are within my chapter.

388
00:52:59.600 --> 00:53:16.810
Boardroom: If Council passes the budget balancing plan as is this June, the City will eliminate 42 of my chapter's 77 vacant positions, and the City will eliminate at least 114 of the 270 vacancies that currently exist

389
00:53:16.810 --> 00:53:17.890
Boardroom: citywide.

390
00:53:17.890 --> 00:53:31.460
Boardroom: And this 114 figure only accounts for the non-sworn vacant positions to be eliminated in fiscal year 27. On top of this 114 figure, there are sworn positions that could also be eliminated in fiscal year 27.

391
00:53:32.180 --> 00:53:44.919
Boardroom: Of course, the elimination of positions, including vacant positions, is bad for our members, bad for members of my chapter and other chapters. The elimination of positions results in less collective power for bargaining units.

Boardroom: Fewer opportunities for promotions and lateral moves, and fewer opportunities to retreat during times of proposed layoffs, such as right now.

393
00:53:53.740 --> 00:54:04.200
Boardroom: That said, tonight I wanted to stress the negative impact that the elimination of so many positions will have on the community at large, as opposed to the city's various labor chapters.

394
00:54:04.880 --> 00:54:11.909
Boardroom: Eliminating vacant positions makes permanent a downward adjustment in the city's capacity to serve its constituents.

395
00:54:12.060 --> 00:54:23.200
Boardroom: Vacancies obviously don't provide value to constituents, but at least vacancies have the potential to benefit the community in the future, when funding and or qualified candidates are more abundant.

396
00:54:24.330 --> 00:54:33.969
Boardroom: Planning department vacancies that get eliminated will deprive homeowners and businesses of the potential for quicker turnaround times for permit approvals in the future.

397
00:54:34.110 --> 00:54:43.209
Boardroom: Behavioral health vacancies that get eliminated will deprive at-risk and unstable residents the potential for prompt delivery of mental health care.

398
00:54:43.890 --> 00:54:51.180
Boardroom: A permanently understaffed accounts receivable team will perpetually struggle to adequately collect revenue.

399
00:54:52.040 --> 00:55:02.939
Boardroom: Every eliminated position translates into a permanent deficit in capacity, and this deficit will have tangible impacts on the constituents who avail themselves of city services in the future.

400
00:55:03.810 --> 00:55:09.280
Boardroom: It's true that an eliminated position could theoretically be established and re-established in the future.

Boardroom: However, given the city's HR department's failure over the course of years to fill large numbers of vacancies, it would be a mistake to assume that HR and other leadership staff will be nimble enough to adequately create needed positions

402
00:55:23.720 --> 00:55:26.460
Boardroom: In the future, when funding allows.

403
00:55:27.380 --> 00:55:34.769
Boardroom: I urge Council to consider rejecting management's plan to eliminate large numbers of currently vacant positions come fiscal year 27.

404
00:55:35.360 --> 00:55:49.280
Boardroom: I urge Council to demand accountability from HR leaders generally, and more specifically, to require management to conduct a thorough analysis to discover all the reasons for the city's chronically high vacancy rates.

405
00:55:49.980 --> 00:56:02.030
Boardroom: Again, please do not eliminate any positions through a wholesale reduction in force process, as doing so only serves to make permanent a downward adjustment in the city's capacity to serve its constituents. Thank you.

406
00:56:02.600 --> 00:56:06.639
Boardroom: Thank you. Any other public comment on this item? I don't see anyone online.

407
00:56:07.680 --> 00:56:11.339
Boardroom: I don't see any hands raised. Okay. Are there any comments on this item?

408
00:56:14.080 --> 00:56:29.470
Boardroom: Councilmember Cassarwani? Thank you very much, Madam Mayor. I just wanted to thank you very much for the presentation. It's very helpful to get this information about, vacancy rates. I think you had it by position, right?

409
00:56:29.620 --> 00:56:35.660

Boardroom: And then you also have… I… oh, yes, you do, on one of the slides, the vacancy rate by position, and, so I just wanted to, to note that.

411
00:56:47.060 --> 00:56:56.520
Boardroom: And, and then the other thing I wanted to note was the… The… the retention rate…

412
00:56:57.120 --> 00:56:58.760
Boardroom: and the…

413
00:56:59.190 --> 00:57:11.920
Boardroom: the vacancies created. And I know this was… this is technically a question, I didn't ask it during the question time, but I just wanted to clarify, when you have this 93% annual staff retention rate.

414
00:57:12.530 --> 00:57:16.779
Boardroom: Are, can you just explain how you're calculating that? Are you just looking at

415
00:57:17.190 --> 00:57:19.009
Boardroom: Well, I'll just let you answer.

416
00:57:19.400 --> 00:57:33.499
Boardroom: Sure. So the first two, numbers, retirement and voluntary separations, that's that number added together divided by the number of budgeted positions. Can you just speak into the microphone a little bit more? Okay.

417
00:57:33.620 --> 00:57:35.160
Boardroom: So it's,

418
00:57:35.780 --> 00:57:49.459
Boardroom: the 38 retirement, the 15 involuntary separations added together, and then divided by the total number of budgeted positions. Oh, okay, okay, that's helpful. I was just a little… oh, okay, I misread, 20…

419
00:57:49.460 --> 00:57:56.400
Boardroom: 25 colon is 227. Okay, thank you so much, that's very helpful. Thank you again for the presentation.

421

422
00:58:07.160 --> 00:58:31.359
Boardroom: Okay, yeah, I also want to just add my thanks. I really do see the work that HR is doing, not only to receive a lot of applications and do outreach into the community to get more applications and strong applicants, but also in the retention work. I think it's something that folks in the public don't get a chance to see very often, and I do really see you all trying to create a culture that helps people feel supported.

423
00:58:31.360 --> 00:58:34.260
Boardroom: So, I just want to thank you all for that, and

424
00:58:34.260 --> 00:58:36.599
Boardroom: Yeah, and thank you for the presentation as well.

425
00:58:36.900 --> 00:58:41.059
Boardroom: Okay, thank you.

426
00:58:41.520 --> 00:58:58.040
Boardroom: And I don't think we need to actually vote to accept this report, I think it's just… is that right? Could I get a motion to close the public hearing? Yes. Oh, I'm sorry, Monica. We can, we should do that. Is there a motion to close the public hearing? The Berkeley Police Association would also like to present.

427
00:59:00.730 --> 00:59:10.449
Boardroom: 2… we… There was a… we actually finished the comment period already. Did you want to make a comment?

428
00:59:14.200 --> 00:59:14.970
Boardroom: Yeah.

429
00:59:15.930 --> 00:59:22.200
Boardroom: Oh, I'm sorry. Yeah, so I was saying earlier that unions could have 5 minutes to speak during the comment period.

Boardroom: Thank you. Bing. There's a presentation that…

433
00:59:34.280 --> 00:59:36.790
Boardroom: Monarch, are you able to put it up?

434
01:00:07.640 --> 01:00:14.420
Boardroom: Thank you. I'll go through this as quick as possible. Thank you for the time, Madam Mayor and Council, for hearing us out regarding our vacancies.

435
01:00:15.440 --> 01:00:21.140
Boardroom: Looking at our current authorized versus actual vacancies, this is up-to-date current, not for 2025.

436
01:00:21.210 --> 01:00:37.859
Boardroom: We're currently looking at 44 vacant sworn officer positions, 2 sworn sergeant positions for a total of 46 vacancies, much higher than the numbers from last year due to many factors. That's based on our current authorized staffing.

437
01:00:38.150 --> 01:00:51.129
Boardroom: If you look at with, we do have numerous trainees and people that have been hired and are in the academy currently, or in the process, so that does boost us up to 105, sworn positions that are filled for officer.

438
01:00:51.740 --> 01:00:54.520
Boardroom: And so definitely that is in the works, but as you can see.

439
01:00:54.970 --> 01:01:05.119
Boardroom: Out of our 179 authorized positions, 7 are currently vacant due to vacant frozen positions, and we currently have a total of 15 on both modified and workers' comp.

01:01:05.230 --> 01:01:11.259
Boardroom: So basically working with a total of 66% of our actual authorized current staffing positions.

441
01:01:12.670 --> 01:01:18.039
Boardroom: On the next slide, you'd be looking at what the, proposed budget would do to our staffing.

442
01:01:18.230 --> 01:01:35.119
Boardroom: Based on the two, possible scenarios, which would be a reduction of 32 positions for the worst-case scenario, you'd be looking at a total of only 133 sworn positions, basically putting us almost at full staffing right now, which is our lowest staffing in my entire 15 years here.

443
01:01:35.390 --> 01:01:41.320
Boardroom: Even with our, trainees and whatnot, we'd be pretty much approaching that.

444
01:01:41.810 --> 01:01:51.140
Boardroom: The… if the, sales tax measure passes, we'd be losing a total of 17 positions, which would still put us at a total of 162 sworn positions, with still numerous vacancies.

445
01:01:53.010 --> 01:02:00.520
Boardroom: Some of our current staffing challenges is that, we, in 2020, had 174 sworn positions compared to our current numbers.

446
01:02:00.690 --> 01:02:09.790
Boardroom: In the past couple months, we've had one sergeant and six officers leave the department to join, most of those joined San Francisco Police Department and won another police department.

447
01:02:09.910 --> 01:02:15.420
Boardroom: We currently are anticipating a handful more in the next few months to go to the San Francisco Police Department as well.

448
01:02:15.850 --> 01:02:23.250
Boardroom: We have 19 current officers eligible to retire as of right now, with a total of about 25 by the end of the year.

Boardroom: And some of our other staffing challenges have been a long-term struggle to recruit lateral police officers, which are quicker to get trained and onto the streets.

450
01:02:32.060 --> 01:02:39.080
Boardroom: And we're currently at about, 55% of our department has 10 years or less of experience, which is a…

451
01:02:39.380 --> 01:02:41.730
Boardroom: pretty much a low F in my career right now.

452
01:02:42.290 --> 01:02:43.310
Boardroom: Next slide.

453
01:02:44.640 --> 01:02:54.380
Boardroom: This is looking at our current patrol… our updated patrol staffing that will be starting in a couple weeks compared to April of 2021. So in April 2021, we had 16 beats, now we have 14 beats.

454
01:02:54.590 --> 01:03:12.939
Boardroom: You can see there's been a 25% decrease in our patrol officers from 73 to 55. In 2024, the city hired an outside, company to do a workload survey, and 73 was the number that they recommended that we have as our patrol staffing, along with creating numerous other proactive positions and things like that.

455
01:03:13.510 --> 01:03:20.060
Boardroom: Regarding our workload, the good news about that is that, since 2020, our calls for service and our case reports have stayed pretty steady.

456
01:03:20.280 --> 01:03:29.200
Boardroom: But the bad is, looking at our staffing numbers, officers will be responding to approximately 32% more calls for service and cases on a basis.

457
01:03:29.520 --> 01:03:38.139
Boardroom: What that means is that your patrol officers will have, you know, longer response times to these calls for ser- lower priority calls for services.

458
01:03:38.380 --> 01:03:43.289

Boardroom: You're gonna have less time for follow-up with victims, you're gonna have less time to do investigations.

459
01:03:43.730 --> 01:04:01.619
Boardroom: And for me, some of the most important things, a lot less time to interact with the community on just a one-on-one basis, to have, you know, downtime to talk with them, and to conduct traffic enforcement. If you have officers that are just on calls all day, you have no time for them to do any kind of interactions with the community besides going from call to call to call.

460
01:04:04.220 --> 01:04:17.829
Boardroom: Our current hiring situation is we currently have one conditional offer to an entry-level police officer, one entry-level and one lateral officer in the background process, and we have police recruit interviews being conducted and a physical agility test scheduled for this week.

461
01:04:18.150 --> 01:04:37.480
Boardroom: It's approximately about a 3-plus month, process to get people hired, and when the police officer recruit is hired, it takes about 6 months, for an academy, and then a 4-month field training program. So all those recruits that we have hired right now, we won't see them probably till end of this year, next year, actually working on the street, and they'll most likely just be filling positions that are people retiring and leaving this year.

462
01:04:38.070 --> 01:04:39.840
Boardroom: We can go to the next slide.

463
01:04:40.520 --> 01:04:54.279
Boardroom: Some of our biggest recruitment challenges we're facing, the main two are lack of industry standard tools and lack of opportunity due to our understaffing. Most of… when trying to recruit people from other departments, they're used to working with tasers, canines, and dronist First Responder nowadays.

464
01:04:55.200 --> 01:05:02.459
Boardroom: Also, our lack of, you know, our understaffing leads to a lack of career opportunities. Our investigations division, our traffic unit are both understaffed.

465
01:05:02.610 --> 01:05:06.589
Boardroom: We currently don't have any kind of narcotics or special investigation unit.

01:05:10.040 --> 01:05:15.769

468
01:05:16.420 --> 01:05:30.089
