CITY OF BERKELEY

1
00:00:07.890 --> 00:00:12.469
Boardroom: Hello, everyone. Good evening. We're gonna get started.

2
00:00:12.710 --> 00:00:14.310
Boardroom: Council members?

3
00:00:14.900 --> 00:00:30.730
Boardroom: I'm calling to order the Berkeley City Council meeting. Today is Tuesday, May 12th, 2026. It is 6.08 p.m. Thank you, everyone, for your patience. Can we start us off with a roll, please? Okay, Councilmember Kastarwani? Here. Taplin? Present.

Boardroom: Trey Good? Present. O'Keefe? I'm here. Blackaby? Here. Unapara? Here. Humbert? Present. And Mayor Ishii? Here. Okay, quorum is present.

6
00:00:47.470 --> 00:00:50.669
Boardroom: Yes, it is.

7
00:00:53.680 --> 00:00:55.320
Boardroom: So yeah, it is a…

8
00:01:00.320 --> 00:01:01.470
Boardroom: Hmm, not ready?

9
00:01:02.530 --> 00:01:11.110

00:01:11.460 --> 00:01:24.739
Boardroom: The City of Berkeley recognizes that the community we live in was built on the territory of Huchun, the ancestral and unceded land of the Chocheno-speaking Ohlone people, the ancestors and descendants of the sovereign Verona Band of Alameda County.

11
00:01:24.740 --> 00:01:49.060
Boardroom: This land was and continues to be of great importance to all of the Ohlone tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community of the West Berkeley Shellmound and the Ohlone people who continue to reside in the East Bay. We recognize that the Berkeley's residents have and continue to benefit from the use and occupation

12
00:01:49.060 --> 00:01:54.550
Boardroom: of this unceded, stolen land since the City of Berkeley's incorporation in 1878.

13
00:01:54.550 --> 00:02:08.579
Boardroom: As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the importance, the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today.

14
00:02:08.580 --> 00:02:17.110
Boardroom: The City of Berkeley will continue to build relationships with the Lijon tribe, and to create meaningful actions that uphold the intentions of this land acknowledgement.

15
00:02:17.500 --> 00:02:26.700
Boardroom: Thank you. We have 3 ceremonial matters this evening. Going to start us off with Jewish American Heritage Month.

16
00:02:26.860 --> 00:02:39.870
Boardroom: And… this was requested by Councilmember Trega with community support from former Councilmember Susan Wengraf in recognition of Jewish American Heritage Month, and Robin Mencher, I believe, is here?

17
00:02:39.990 --> 00:02:42.419
Boardroom: Hi! Welcome! Come on up!

18
00:02:42.850 --> 00:02:46.359
Boardroom: Director of the Jewish Family and Community Services East Bay.

19
00:02:46.510 --> 00:02:52.840
Boardroom: To receive. Hi. Recognizing and celebrating Jewish American Heritage Month.

20
00:02:52.890 --> 00:03:16.259
Boardroom: Whereas Jewish Americans have been an important part of the American story, and have greatly contributed to all areas of American life and culture since our nation's earliest days, and whereas generations of Jewish people have fled to the United States in search of a better life for themselves and their families, and these immigrants make invaluable contributions in support of equality and civil rights through their leadership and achievements.

21
00:03:16.260 --> 00:03:41.250
Boardroom: And whereas Jewish Americans connect to their Jewish identity culturally, ethnically, religiously, and follow Jewish ethics and values, and whereas Jewish Americans are diverse racially, ethnically, socially, politically, and economically, with around 25% of Bay Area Jewish households, including people of color, which increases to nearly 40% in younger households, and whereas the City of Berkeley recognizes Jewish American commitment to civic engagement.

22
00:03:41.250 --> 00:03:47.199
Boardroom: and stands with the Jewish American community against hatred or bigotry in our city and country.

23
00:03:47.520 --> 00:04:08.629
Boardroom: Now, therefore, be it resolved that I, Adina Ishii, Mayor of the City of Berkeley, call upon all residents to celebrate Jewish American Heritage Month by learning more about the diversity of the Jewish American community, along with contributions made to history and culture, and to continue efforts to confront anti-Semitism and other forms of hatred impacting the Jewish community.

24
00:04:08.630 --> 00:04:09.350
Boardroom: Thank you.

25
00:04:13.750 --> 00:04:16.910
Boardroom: Would you like to share a few words? Yes. Am I?

26
00:04:17.230 --> 00:04:18.920
Boardroom: Do I push, or is it working?

Boardroom: Is it working? Great. Thank you, Mayor Ishii and City Council members. I am but one member of Berkeley's long-standing Jewish community, but I'm here this evening, to offer appreciations for this recognition, as the leader of Jewish Family and Community Services East Bay, an organization almost 150 years old, and for many

28
00:04:44.530 --> 00:04:50.659
Boardroom: decades, being, headquartered here in downtown Berkeley, California.

29
00:04:50.660 --> 00:05:09.119
Boardroom: Really glad to be providing community services to all people of Berkeley, Alameda County, and the greater East Bay. Our work touches all aspects of our community, providing human services to the youngest and the oldest among us, with a focus on immigrants and refugees.

30
00:05:09.130 --> 00:05:10.890
Boardroom: And mental health.

31
00:05:11.340 --> 00:05:31.530
Boardroom: But the reason that I bring that up this evening is because although our work, engages with the Jewish community and the broader community, it's founded in the Jewish values and the diversity of Jewish life mentioned in this proclamation of welcoming the stranger, of approaching every community member with dignity.

32
00:05:32.370 --> 00:05:46.499
Boardroom: And of repairing and strengthening our world. And with those shared values in mind, I, humbly, accept this proclamation and appreciate the city for celebrating this month.

33
00:06:36.800 --> 00:06:38.120
Boardroom: Okay.

34
00:06:38.700 --> 00:06:54.059
Boardroom: Next, we have Affordable Housing Month, requested by our Labor Commissioner, Joey Flegel-Michlove, in coordination with East Bay Housing Organization, who is working to bring awareness regionally to the work of affordable housing organizations and advocates and the need for more funding.

35
00:06:54.330 --> 00:06:58.989
Boardroom: And, I think Tracy Matthews… Hello!

00:06:59.010 --> 00:07:17.680
Boardroom: We'll be attending and accepting the proclamation. Tracy is a Berkeley resident, a graduate… a graduate of EBHO's Leadership Academy, a member of EBHO's Resident Community Organizing Committee, and a commissioner on the board of Berkeley Housing Authority. Thank you so much for being here. Thank you for having me.

37
00:07:18.270 --> 00:07:19.200
Boardroom: Okay.

38
00:07:20.230 --> 00:07:23.480
Boardroom: Recognizing May as Affordable Housing Month.

39
00:07:23.760 --> 00:07:48.209
Boardroom: Whereas May is recognized as Affordable Housing Month across the Bay Area in joint acknowledgement of the coordinated regional work necessary to ensure that everyone has an affordable and stable home, and whereas even before current high inflation rates, increasing housing costs led long-time residents to be displaced, live in overcrowded homes, or experience homelessness, threatening our region's racial and economic diversity.

40
00:07:48.210 --> 00:07:58.029
Boardroom: And whereas stable, affordable homes are vital for a thriving community supporting everyone, including seniors, families, youth, veterans, immigrants, people with disabilities.

41
00:07:58.030 --> 00:08:07.200
Boardroom: And whereas across California, there are over 39,000 affordable homes ready to be built, but lacking the financing to begin construction.

42
00:08:07.200 --> 00:08:28.859
Boardroom: For two years in a row, the President of the United States has proposed a budget that dramatically cuts funding for affordable and subsidized housing, which, if actualized, would reduce affordable housing options by 44%, and whereas the role of state and local government has never been so critical in maintaining support for producing, preserving, and protecting affordable housing opportunities for low-income communities.

43
00:08:28.860 --> 00:08:39.360
Boardroom: The City of Berkeley continues to support affordable and stable housing at the local, regional, and state and federal levels through advocacy, funding, and policy development. Now…

45
00:08:52.450 --> 00:08:55.740
Boardroom: Would you like to say a few words? Yes, please, thank you.

46
00:08:56.720 --> 00:09:15.170
Boardroom: Good evening, my name is Tracy Matthews, and I'm here as a resident leader and a member of East Bay Housing Organization. EBHO is a member-driven organization covening a diverse coalition that advocates to produce, preserve, and protect affordable housing opportunities

47
00:09:15.170 --> 00:09:17.969
Boardroom: for low-income communities in the East Bay.

48
00:09:17.970 --> 00:09:35.880
Boardroom: Our membership of over 400 individuals and organizations include nonprofit affordable housing developers, social service organization, advocacy groups, faith institutions, and residents of affordable housing across Alameda and Contra Costa counties.

49
00:09:36.250 --> 00:09:39.150
Boardroom: Thank you, Berkeley Council members.

50
00:09:39.350 --> 00:09:55.699
Boardroom: And Mayor Ishii, for recognizing Affordable Housing Month and affirming your commitment to affordable housing. I'm particularly happy to be able to receive this proclamation on EBHO's behalf.

51
00:09:55.780 --> 00:10:04.099
Boardroom: As a 32-year-long resident of Berkeley, advocating for affordable housing in this jurisdiction. Excuse me.

52
00:10:04.610 --> 00:10:21.660
Boardroom: As we celebrate Affordable Housing Month here in Berkeley, we are joined by EBHO members and staff who are organizing over 25 public events this month across East Bay to educate our community about key aspects of affordable housing and housing justice.

Boardroom: Our programming this year includes a great lineup of events. Community celebrations, days of action, panel discussions, housing workshops, community trainings, and more.

54
00:10:34.670 --> 00:10:48.289
Boardroom: There are also grand openings and groundbreaking for new affordable housing communities that showcase and celebrate what is possible when community members, nonprofits, and local governments come together.

55
00:10:48.710 --> 00:10:56.849
Boardroom: You can view a few… a full list of events at eBho.org backslash events.

56
00:10:57.160 --> 00:11:10.460
Boardroom: The goal of Affordable Housing Month is to lift up and center those most affected by housing crises. This month, we can… we call attention to the housing affordable crises.

57
00:11:11.170 --> 00:11:14.600
Boardroom: Lift up solutions, celebrate our achievements.

58
00:11:16.820 --> 00:11:21.389
Boardroom: And invite all community members to join us in our movement.

59
00:11:21.600 --> 00:11:33.350
Boardroom: At the state level, we are inspired by the Roadmap Home Policy Platform and hope to pass a statewide housing bond during the November 2026 election.

60
00:11:33.440 --> 00:11:49.840
Boardroom: But in the moment of unprecedented instability, we cannot look only to the state and the federal governments to sustain our affordable housing system. In fact, the role of local governments and local communities has never been more important.

61
00:11:50.820 --> 00:12:10.279
Boardroom: We can keep each other safe, and we can keep each other housed, but only if we work together, and only if we are committed to a vision of a racially and economically just East Bay, where everyone has access to safe, stable, and affordable homes.

63
00:13:04.280 --> 00:13:06.339
Boardroom: Yay! Okay.

64
00:13:06.470 --> 00:13:16.020
Boardroom: Housing and… housing is one of my top priorities, so it's very exciting to be able to celebrate Affordable Housing Month. Okay, so, finally…

65
00:13:16.240 --> 00:13:33.769
Boardroom: We have requested by Councilmember Lunapara, a recognition of Eid, excuse me, Al-Fatir. And I think that we have… Yes. I just wanted to mention that this proclamation was written by our interns, and wanted to give them,

66
00:13:34.180 --> 00:13:44.139
Boardroom: the… the kudos for that. Credit for it. Yeah, thank you so much. And actually, I think one of your interns, Sophia, is here. Would you like to come up?

67
00:13:44.440 --> 00:13:47.420
Boardroom: Is anyone from CARE here as well?

68
00:13:49.110 --> 00:13:50.000
Boardroom: Okay.

69
00:13:50.180 --> 00:13:51.530
Boardroom: All right.

70
00:13:52.320 --> 00:13:53.649
Boardroom: Good evening. Oh.

71
00:13:54.090 --> 00:13:59.220
Boardroom: Oh, so, honoring Eid al-Fatir and Eid al-Adah.

72
00:13:59.540 --> 00:14:24.420
Boardroom: Am I saying that right? Adha. Ada. Adha, yeah. Adha. Okay, thank you. Whereas Eid al-Fatir and Eid al-Adha are two of the most significant holidays observed by Muslims around the world, and by many residents, students, workers, and families in the city of Berkeley, and

whereas Eid al-Fatir marks the conclusion of the holy month of Ramadan, a period devoted to fasting, reflection, prayer, charity.

73
00:14:24.420 --> 00:14:42.800
Boardroom: and spiritual renewal, during which Muslims seek to strengthen their faith and deepen their commitment to compassion and service. This year, Eid al-Fatir was celebrated on March 20, 2026, starting at sundown on May 19th, 2026. Oh. Whereas Eid al-Fir

74
00:14:42.930 --> 00:14:44.100
Boardroom: Ada.

75
00:14:44.100 --> 00:15:09.009
Boardroom: Commemorates the values of sacrifice, generosity, and devotion, and is traditionally observed through acts of charity, community gatherings, and sharing meals with family, friends, and neighbors. This year, Eid Ad al-Adah will begin on May 27th, 2026, and whereas the dates of Eid follow the lunar calendar and therefore change annually, yet each year, these holidays bring communities together in celebration, gratitude.

76
00:15:09.010 --> 00:15:11.789
Boardroom: And acts of generosity towards those in need.

77
00:15:11.790 --> 00:15:24.080
Boardroom: And whereas traditions associated with Eid include charitable giving, hospitality, and community service reflecting values of mutual care and responsibility that strengthen neighborhoods and support those facing hardships.

78
00:15:24.080 --> 00:15:37.870
Boardroom: And whereas Muslim residents contribute significantly to the civic, cultural, academic, and economic life of Berkeley as educators, students, public servants, entrepreneurs, health professionals, and community advocates.

79
00:15:38.000 --> 00:15:50.969
Boardroom: And whereas the City of Berkeley is committed to honoring religious diversity and fostering an inclusive community where residents of all faiths and backgrounds are welcomed, respected, and able to practice their traditions freely.

Boardroom: Whereas recognizing important cultural and religious holidays helps build understanding among neighbors and affirms Berkeley's long-standing commitment to pluralism, inclusion, and mutual respect.

81
00:16:03.240 --> 00:16:20.050
Boardroom: Now, therefore, be it resolved that I, Adina Ishii, Mayor of Berkeley, do hereby declare that the City of Berkeley hereby recognizes and celebrates Eid al-Fatir and Eid al-Adha each year, and extends its warmest wishes to all residents observing these holidays.

82
00:16:20.050 --> 00:16:27.360
Boardroom: The City of Berkeley encourages all members of the community to learn about and appreciate the traditions and values these holidays represent.

83
00:16:27.360 --> 00:16:33.949
Boardroom: And to join in celebrating the diversity and shared humanity that enrich the Berkeley community. Thank you.

84
00:16:37.150 --> 00:16:37.880
Boardroom: Yeah.

85
00:16:38.000 --> 00:16:55.610
Boardroom: Good evening, my name is Sophia Sheikh, and I'm currently a senior at UC Berkeley, and I'm here on behalf of Asiya Siddiqui, who is truly the one behind writing this entire proclamation. And she has worked tirelessly in hopes of being able to represent the Muslim population through having these two, important holidays.

86
00:16:55.610 --> 00:16:58.370
Boardroom: represented, by Berkeley.

87
00:16:58.400 --> 00:17:21.630
Boardroom: Eid al-Fitzvah marks the end of Ramadan, where Muslims spend a lunar month fasting and devoting themselves in worship in hopes of strengthening their commitment to compassion and service, while increasing their devotion to their faith. Meanwhile, Eid al-Adha commemorates the value of sacrifice and generosity towards those in need, which is reflected in the Muslim community's contribution to daily life in Berkeley.

88
00:17:21.960 --> 00:17:33.920
Boardroom: Having these holidays visible and commemorated in local governance uplifts local communities, especially the Muslim community

currently residing at UC Berkeley, which currently has 23 distinct Muslim…

89
00:17:33.920 --> 00:17:57.330
Boardroom: student organizations, each holding a space for academic and personal interests that are connected to our religious identity and interests. Despite these spaces, we often rely on accommodations for spending these two days in celebration, often taking away from class and work. Having these two holidays commemorated and showcased allows greater representation of a vast, thriving community that makes up a great portion of Berkeley constituents.

90
00:17:57.500 --> 00:18:05.820
Boardroom: Berkeley is a community built off a multitude of different communities, and it is critical that we ensure all of their traditions are taken into account and respected.

91
00:18:05.820 --> 00:18:29.679
Boardroom: Having these holidays commemorated into local governance allows a greater sense of visibility and support for marginalized communities, especially in uncertain times. This proclamation is a symbol of representation and honoring our traditions, essentially making a space for every community. Thank you so much for your commitment to recognizing all of our diverse communities, especially these two holidays, which many Muslims hold dear to their hearts.

92
00:18:48.610 --> 00:18:49.910
Boardroom: Chick put you in the mail.

93
00:19:20.400 --> 00:19:45.010
Boardroom: I think during these times, it's really important that we get our opportunities to celebrate, and so I really want to thank the community for bringing these forward for us, to be able to acknowledge and recognize they are really very meaningful. So thank you all so much for coming to receive the proclamations, and also to those who recommended for us to celebrate them. Okay, so moving on, we have City Manager comments.

94
00:19:45.010 --> 00:19:47.359
Boardroom: No comments, Madam Mayor, thank you. Okay.

95
00:19:48.100 --> 00:19:51.040
Boardroom: Is there any public comment on non-agenda matters?

97
00:20:41.800 --> 00:20:47.570
Boardroom: And once your name is called, you can come up, and line up. There's no specific order.

98
00:20:47.720 --> 00:20:53.350
Boardroom: The, speakers are… Jess… Heinzelman?

99
00:20:54.160 --> 00:21:00.139
Boardroom: Richard Woods… Samar… Bird Walker.

100
00:21:01.590 --> 00:21:11.519
Boardroom: Celeste Marks, and Steven Albert. So those are the 5 in-person, public commenters. Just come up in any order.

101
00:21:15.570 --> 00:21:33.720
Boardroom: Hello, City Council. I'm Jess Heinzelman, I'm one of the co-founders and COO of Throne Labs. And I wanted to just come and thank you all personally for the pilot we've been hosting. I think one of our closest Thrones is over at Strawberry Creek Park, and we also have one at Cesar Chavez.

102
00:21:33.830 --> 00:21:40.829
Boardroom: The Berkeley pilot has had particular meaning for me. I decided to leave my job and tackle this big problem.

103
00:21:40.830 --> 00:21:54.490
Boardroom: talking to my mom as we walked around Cesar Chavez Park during COVID, so it was not necessarily the inspiration, but it has been kind of a homecoming as that, throne has continued to serve that park.

104
00:21:54.490 --> 00:21:56.600
Boardroom: And…

105
00:21:56.600 --> 00:22:19.390
Boardroom: I knew that clean restrooms were really important and would allow people to stay out and enjoy parks more, and stay out and be in community longer, but I think the survey was still surprising. I know that your wonderful staff has actually given you a recent memo to this effect. I'm happy to also answer any questions, or provide data as needed.

Boardroom: Sorry, no, it's a really quick time. Oh, okay. 90% felt safer, and 90… Sorry. Yeah, but feel free to… I know we have a memo, so we'll make sure that everyone reads it. Thank you!

108
00:22:36.800 --> 00:22:38.640
Boardroom: Much appreciated.

109
00:22:46.150 --> 00:22:48.020
Boardroom: Hi, good afternoon.

110
00:22:49.820 --> 00:23:02.129
Boardroom: You know why I'm here? Because it is the bloodshed of the innocent to kill the animals. You have defiled the land, and the warns in the Bible, Deuteronomy 19, you'll be spewed from the lands.

111
00:23:02.140 --> 00:23:17.829
Boardroom: And I'm telling you, this is where the homeless problem comes from. And you'll continue to have these problems until you go vegetarian. You must go vegetarian, every one of you, in your entire city, all of your population.

112
00:23:18.000 --> 00:23:41.259
Boardroom: And they take a lot of effort, and they take a lot of planning, and it takes a lot of information, and you have to do it, because we're in North America instead of Europe, and Arabia, and Taiwan, wherever we're from, because we killed the animals over there, and we got spewed from the lands. And the ancient Israelites were sheep killers, and they ate sheep, and they got spewed from ancient Egypt, and they had to go to…

113
00:23:41.360 --> 00:23:50.270
Boardroom: where the Philistines was, and they had to kill them, and you never resolve your Native American ownership of the land. Thank you.

114
00:23:58.090 --> 00:24:05.479
Boardroom: Hi, everyone. My name is Marba Watker. I live at 8… I've been a resident and homeowner in Berkeley for the last 6 years.

Boardroom: I live on Bancroft and 6th, and I'm sure several folks from our little community have brought this up on several different occasions.

116
00:24:15.260 --> 00:24:18.460
Boardroom: About 17 months ago, there was a…

117
00:24:18.830 --> 00:24:27.530
Boardroom: pretty elaborate traffic light put on our corner on Bancroft and 6th, and we're all in support for that, to manage traffic that's going towards the aquatic park.

118
00:24:27.940 --> 00:24:40.000
Boardroom: But again, it's a very elaborate traffic light that's actually… the turn lanes have taken between 40 and 50 parking spots away from our community, that about 30 businesses and several homeowners rely on that.

119
00:24:40.000 --> 00:24:48.319
Boardroom: And we've brought this up on several occasions, but it hasn't been addressed, or we haven't gotten a response of if it can be fixed. So I'm here to ask,

120
00:24:48.520 --> 00:24:54.080
Boardroom: this group to, pay attention to this matter and get back to our little group.

121
00:24:54.200 --> 00:25:05.459
Boardroom: who runs the little community on the corner of the street, is leading the charge from our side. Thank you. Thank you. Thank you. I'm sorry, I thought that we had gotten back to you, so we'll… I'll follow up.

122
00:25:12.380 --> 00:25:14.849
Boardroom: Celeste, seating here in minutes.

123
00:25:20.480 --> 00:25:32.130
Boardroom: Good evening. I'm Dr. Steven Alpert. For several weeks, I have focused attention on a recent study by Buchholz, published by the prestigious London School of Economics.

124
00:25:32.610 --> 00:25:37.260
Boardroom: That study analyzed real-world data from San Jose and San Francisco.

126
00:25:54.590 --> 00:25:59.370
Boardroom: Evidently, these findings are troublesome to Councilmember Humbert, who I notice has left.

00:26:12.790 --> 00:26:23.930
Boardroom: As written, this clearly implies that Buchholz, quote, has received serious and swift methodological criticism from other economics.

131
00:26:24.170 --> 00:26:30.740
Boardroom: However, the two links review Lewis et al, and do not refer whatsoever to Buchholz.

Boardroom: Why this deception?

133
00:26:32.700 --> 00:26:34.310
Boardroom: Councilman Humbert?

134
00:26:34.870 --> 00:26:38.189

Ryan Lau (AC Transit): The state loan has stabilized our immediate budget, but we're looking at a $200 million deficit over the next 4 years, with the possibility of a service reduction of 16% and up to 300, jobs lost. So again, June 10th at 5 p.m, it'll physically be held at 1600 Franklin Street, also on the

225
00:39:56.810 --> 00:40:02.070
Boardroom: Thank you very much, and thank you for your leadership. Thank you. Thank you. Thank you. Thank you.

226
00:40:02.440 --> 00:40:04.460
Boardroom: Thank you, Councilmember O'Keefe.

227
00:40:05.330 --> 00:40:14.969
Boardroom: Councilmember Bartlett, I thought I asked you if I could co-sponsor it. But I think so. It's okay. How about I just donate instead?

228
00:40:16.410 --> 00:40:29.059
Boardroom: No, no, it's fine. I relinquished my spot to Councilmember Taplin. But I may or may not… I may have, hallucinated that conversation, so don't worry about it, but I would like to donate $250 to item 16.

230
00:40:35.690 --> 00:40:40.090
Boardroom: Taplin, I'm sorry.

231
00:40:40.130 --> 00:40:48.050
Boardroom: I don't hear her say a word you want to say. I don't… I withdraw my co-sponsor author.

232
00:40:48.050 --> 00:41:00.640
Boardroom: I will let you all work that out with the clerk, so thank you very much. I, I am already one of those co-sponsors on there, so thank you very much, happy to…

233
00:41:00.700 --> 00:41:14.809
Boardroom: co-sponsor an event that is in our neighborhood, and that I've been going to for many years, and will also put $250 from my account into it as well. So, thank you. Thank you all so much for being here.

234
00:41:14.810 --> 00:41:24.980
Boardroom: Okay, very good. I think that that's all of the Councilmember comments, so we will go to, public comment on consent calendar information items.

235
00:41:30.790 --> 00:41:43.290
Boardroom: Distinguished Mayor, council members, it's always a pleasure being before you guys. It's so, inspiring to hear you guys co-sponsoring this. So we're really, really happy and pleased with that. What I do want to share is,

236
00:41:43.440 --> 00:41:53.499
Boardroom: Eid al-Fatir, you know, in the spirit of giving, you know, we're happy to see you giving from your hearts and from your souls, and not just thinking with your minds and filling with your spirits.

237
00:41:53.500 --> 00:42:03.589
Boardroom: I'll share with you something really briefly. My father used to always tell me. Now, it's basically, you've got two options in life. And in this moment right now, you have… your first option is to give.

238
00:42:03.850 --> 00:42:05.370
Boardroom: to the Berkeley Juneteenth?

240
00:42:07.600 --> 00:42:12.550
Boardroom: Now, you got a million and one choices of how you choose to give. You can give willingly.

241
00:42:12.670 --> 00:42:18.519
Boardroom: You can give generously. You can give, you know, with your heart felt, or you can not give.

242
00:42:18.520 --> 00:42:37.889
Boardroom: Begrudgingly, you cannot give at all, but you guys chose to give, and we're hoping that this is a very gleeful, happy, and heartfelt gift that you're bequesting upon us. We're appreciative. You know, if you reconsider somewhere down the line and want to dig a little deeper and give a little bit more, we'll be even more appreciative, so we do thank you for that.

243
00:42:40.020 --> 00:42:55.190
Boardroom: Good evening, Council. Lucky Thomas, Juneteenth, Festival, and again, thank you again for your generous, gifts and, and your support of the Juneteenth Festival. It definitely, in the past and…

244
00:42:55.330 --> 00:42:57.120
Boardroom: Currently. Thank you again.

245
00:42:57.330 --> 00:42:59.569
Boardroom: Thank you. Thanks for coming.

246
00:43:04.440 --> 00:43:22.739
Boardroom: Carol Morasovic, very pleased to see item 15A, 15B on the agenda, and very pleased with the Land Use Committee, referring this to the Commission on Aging, hoping that they, they do develop these models. This is an extremely important item.

247
00:43:22.740 --> 00:43:28.430
Boardroom: I was the author of this item when I was chair of the Commission on the Status of Women.

Boardroom: And we brought… it was developed after I brought out the staff attorney from the National Housing Law Project, where they were litigating a number of cases where vulnerable homeowners, particularly women, were exploited. One of those cases that was memorialized in the media is an 81-year-old San Francisco resident Susan

249
00:43:53.420 --> 00:43:59.180
Boardroom: bike to stay in longtime Upper Hight, home, where she had…

250
00:43:59.190 --> 00:44:11.910
Boardroom: Her $1.4 million condominium, this is an 81-year-old, was purchased for $10,000 that she didn't realize that she had agreed to,

251
00:44:11.910 --> 00:44:19.929
Boardroom: pay a loan as collateral that was worth less than $10,000. And that's how she lost her home.

252
00:44:20.010 --> 00:44:36.050
Boardroom: And another case, which was memorialized in the media, was she sold her $1.7 million Bay Area home for a third of its value over margaritas. What happened? This is a senior who is a part-time crossing guard who,

253
00:44:36.710 --> 00:44:45.780
Boardroom: Who is caregiver for her husband with dementia, and she was taken out by a realtor, who…

254
00:44:46.670 --> 00:45:03.000
Boardroom: Bought her some margaritas and somehow persuaded her to sell her house for one-third of its value, and it was, to an actor. It went, to an actor, who then, immediately flipped it.

255
00:45:03.030 --> 00:45:07.070
Boardroom: And this type of exploitation is… thank you.

1510****211: Okay, consent item number 4.

261
00:45:31.960 --> 00:45:33.740
1510****211: I'd like to bring the memory one…

262
00:45:33.880 --> 00:45:37.690
1510****211: First, I'd like to say, Berko always had one of the best police departments.

287
00:47:03.410 --> 00:47:18.529
Boardroom: Okay, so moving on to our singular action item. Item number 17, the lease agreement with Patia & Associates, Inc. Fort 125 to 127 University Avenue.

288
00:47:20.550 --> 00:47:37.039
Boardroom: Thank you, Mayor. It was actually just a little weird quirk in the code that required this to be a public hearing, otherwise we wouldn't have put it in this place, but Director Farris is here if you have any questions, or I can answer questions, too. Otherwise, we don't have a presentation. Thank you. Are there any questions from Councilmembers?

289
00:47:37.300 --> 00:47:47.280

300
00:48:21.440 --> 00:48:27.019
Scott Ferris: $2.50 a square foot from $205 or $215. Great.

301
00:48:28.320 --> 00:48:41.230
Boardroom: So it's a nice bump up, and I know that's one of the things you guys were working on, was sort of how do we continue to sort of maximize the opportunity of this space? I just wanted to verify that, that it's actually an increase over what they're currently paying, which is really useful. So, thank you.

302
00:48:41.800 --> 00:48:43.520

308
00:49:17.190 --> 00:49:25.559

non-competitive bidding came up. So, I made an inquiry to the city auditor, asking her if,

317
00:50:16.500 --> 00:50:27.180
Boardroom: she could provide information as to, consultants, how much the city has spent on consultants for each year for the last 5 years. This is the response I received.

318
00:50:27.180 --> 00:50:41.359
Boardroom: Hi, Carol, thank you for our interest in our non-competitive contracts audit. Based on our work, it does not appear there is an easy way with the city's current system to determine how much the city has spent on consultants.

319
00:50:41.360 --> 00:50:56.649
Boardroom: To review how much is spent would require reviewing a large export of the city's contracts and purchase orders. Part of the challenge is departments classify the type of contract inconsistently.

320
00:50:56.740 --> 00:51:08.090
Boardroom: So it would require manually reviewing each contract and purchase order to ensure that the list includes all of the consultants, and not personal services.

321
00:51:08.330 --> 00:51:11.449
Boardroom: Gold goods, or software?

322
00:51:11.820 --> 00:51:25.439
Boardroom: So, there is no standardized procedure, and there should be a standardized procedure that all departments follow so that this information can be identified, and so that Council know

323
00:51:25.940 --> 00:51:40.889
Boardroom: in the context of the whole budget, this information, evaluate it, weigh it, and… I mean, this is pretty critical information. And I was actually somewhat shocked to receive that response from the city auditor.

324
00:51:40.960 --> 00:51:46.219
Boardroom: That even her, with her very talented, skilled staff.

325
00:51:46.570 --> 00:51:55.859
Boardroom: cannot respond to what I did not think was a very complex question. So I, I hope Council will, address this.
